

GREEN SCHOOLS

GREEN SCHOOL NOTICE !!!

In green schools we do all different things each week and we are trying to get a fifth green flag this year so we can keep our green flag ,this years theme is "BIODIVERSTY" (all living things) and we are growing vegetables and plants. We have put some bird feeders around the school

for the birds

this is a wood thrush

to eat from and some insect home around for insects to stay there too and we are hoping to have a vegetable patch to put all those yummy vegetables we have grown into aswell . We are also on planing on setting up a wild flower garden soon.

GREEN SCHOOL DATES TO REMEMBER

- Every thursday we have a green school meeting at lunch in room 214 for the first half of lunch.

- From the 19th to 23rd of march is BIODIVERSITY WEEK.

(we will be doing all different things within that week)

GREEN SCHOOLS DIARY

8th of march 2012__

this week we were thinking of ideas on what we should do for the biodiversity week.

this was are green school notice bord

HERE ARE SOME PICTURES ...

this is some of are lovely bird feeders
