### **GLOSSARY OF TERMS**

'Applicant' means the parent / guardian of a student, or, in the case of a student who has reached the age of 18 years, the student, who has made an application for admission to Gorey Community School.

'Student' means the person in respect of whom the application is being made. All uses of the word throughout this Policy therefore imply 'prospective' as part of the interpretation. That is, the use of the word 'Student' does not mean that an application or acceptance of offer makes him/her a student of Gorey Community School; a person is only regarded as a student of Gorey Community School once s/he is enrolled on his/her first day of attendance.

'Enrolled' means attending the school as a registered student, in line with section 20(2) of the Education (Welfare) Act 2000.

'Gender', in line with the definition of "the gender ground" in the Equal Status Act 2000, is such that "one is male and the other is female". This does not prejudice any Student who is Intersex or identifies as Androgynous/Androgyne, Bigender, Demigender, Gender Fluid, Genderqueer, Multigender, Neutrois, Non-binary, Transgender, Transsexual or otherwise.

'Parent' has the same meaning as in the Education Act 1998 and includes a foster parent and a guardian appointed under the Guardianship of Children Acts, 1964 to 1997.

'Feeder Primary Schools' refers to the primary schools of preference for application to Gorey Community School. The feeder primary schools for Gorey Community School are categorised into 2 groups based on the Department of Education School Planning Areas. The two lists appear on pages 7/8/

For the purpose of this policy 'Staff member' refers to Teachers registered with the Teaching Council and who are currently contracted by the BOM of GCS to teach in this school in a PWT/CID/FT capacity, and ancillary staff who are currently (at the time of application), employed on an ongoing and non-temporary basis in Gorey Community School..

For the purpose of the selection criterion relating to the student having a sibling currently enrolled in the school, 'Sibling' refers to full siblings, half-siblings, foster-siblings, step-siblings and Students who reside in the same household.

Note: the wider definition of sibling in the second of the two paragraphs immediately above is for the purpose of facilitating families who are required to do more than one drop-off and/or collection to/from the school.

'Special Class' means a class that has, with the approval of the Minister for Education, been established by a school to provide an education exclusively for students with a category or categories of special educational needs specified by the Minister for Education. Gorey Community School has two Special Classes, established to cater for special educational needs of students with Autism/Autistic Spectrum Disorders.

'Relevant Report', as advised by the Department of Education and the National Council for Special Education (NCSE), means a written report based on an assessment by a relevant professional who makes a recommendation for a Special Class placement. The relevant professional may include an educational psychologist, psychologist, other relevant health professionals, HSE disability services or HSE multi-disciplinary team staff, in line with guidance issued by the NCSE on this point. The relevant report which has been prepared within the 24 months immediately preceding the Student's application to the Special Class must state that:

- (i) the Student has a diagnosis (in line with the designation of the special class in question); and
- (ii) the Student has complex or severe learning needs that require the support of a special class setting and the reasons why this is the case.

'First-Year' means the intake group of students for the most junior class or year in a school.

**Note:** Exceptions apply only in relation to fee charging post primary schools, the boarding element in Boarding Schools and admission to post leaving cert or further education courses run by post-primary schools.

## 17. Arrangements regarding students not attending religious instruction

This section must be completed by schools that provide religious instruction to students.

The following are the school's arrangements for students, where the parents or in the case of a student who has reached the age of 18 years, the student, who has requested that the student attend the school without attending religious instruction in the school. These arrangements will not result in a reduction in the school day of such students:

Gorey Community School offers *religious education* in all year groups as it promotes the holistic development of students and can contribute positively to their wellbeing in line with the

principles of the Junior Cycle and Senior Cycle Frameworks and in the spirit of the Deed of Trust. It facilitates the intellectual, social, emotional, spiritual values and moral development of students and encourages respect for all members of our school communities. In addition, *religious education* supports the 'multi-denominational' aspect of our school's ethos as it provides opportunities for students to engage with questions around their own religious or non-religious beliefs and those of their peers.

In this context it is important to understand the distinction between '*religious education*' and '*religious instruction*':

- *Religious education* is open to all pupils regardless of their commitment to any particular religion or worldview. It seeks to contribute to the spiritual and moral development of all students equally.
- *Religious instruction* is instruction in accordance with the rites, practices and teachings of a particular religion or denomination for pupils of that religious tradition.

Given that Religious Education, as distinct from Religious Instruction, is timetabled across our school at all levels the legal requirement to advise of the option to opt-out of religious instruction does not arise.
