

# HOUSE OF HELL

By Genevieve Fleming

**The story:** Unnoticed, 17 year old girl Oria finds her life pretty boring, but her life is suddenly turned upside down when she finds out she's half demon and is banished to the abandoned mansion in her home town. When she thought things couldn't get any worse, she finds that there are 10 more demons in the mansion too! Oria has to learn to cope with these demons and help them get back to Hell... Or her life may never go back to the way it was.

**What I need:** What I would like is help from others to make this story come to life. What I'm looking for are:

**2D animators that use Adobe Animate CC :** They can be in 1st, 2nd or 3rd year. They have to know how animation works and have some experience in it. They also must have an understanding of drawing.

**Voice actors:** There are 5 main voice roles needed. 3 male and 2 female. People who apply for these roles must be comfortable with singing and must speak clearly. People also must be confident with their acting skills. Again, these people can be in 1st, 2nd or 3rd year. These people also must have a decent mic for recording.
